The Dolly Parton Imagination Library in Richmond County provides children in the county with books from the Imagination Library. This is an initiative of, and paid for by the Richmond County Literacy Network. Dolly Parton's Imagination Library is a 60 volume set of books beginning with the children's classic *The Little Engine That Could*™. Each month a new, carefully selected book will arrive by mail in your child's name and be delivered directly to your home. Best of all it is a FREE GIFT!

Contact the Richmond County Literacy Network today to register your children if they are under the age of 5.
